

PIGLET

Piglet is a game for two or three people.

You will need: 1 dice

Goal: Be the first player to reach 50.

How to play:

The youngest person plays first.

You can roll the dice as many times as you want during your turn.

Add the numbers you roll. You must say your total score out loud each time you roll the dice.

If you roll a one, you lose all your points. On your next turn you will start at zero.

You can hold (stop rolling the dice) anytime you want during your turn and keep the score you have when you decide to stop rolling the dice.

The first player to get to 50 wins the game.
